The Academy of Medicine Education Foundation (AMEF) was established for charitable, educational and scientific purposes.

The purpose of the AMEF is to add a charitable component to AMCNO and to partner with AMCNO in implementing new initiatives for both physicians and the patient population through charitable, educational and scientific efforts. The Foundation positions the Academy as a viable resource dedicated to the improvement of health care through education. AMEF enhances the philosophy of the AMCNO in its focus on healthcare oriented education for physicians, their staff and patients by providing support for meaningful education and highlighting the value and quality of healthcare.
